CODE CALLS

405.1 PURPOSE AND SCOPE

This policy establishes a uniform response to identify emergency situations and alert other members via radio.

405.2 POLICY

The Thurston County Sheriff's Office Corrections Bureau will provide written directives for members responding to Code Calls issued by other members as a request for back-up assistance.

It is mandatory that members, who are able to assist, will be ready and available at all times to respond when any member issues a Code request. This will enhance the safety and security of the inmates, members, community, and the facilities.

405.3 CODE SYSTEM

The code system will be as follows:

(a)

(b)

(c)

405.4 PROCEDURE

When a member issues a code call over the radio, they will attempt to convey the following information:
